Together in faith, hope and action for a renewed world.

International Conference

Liverpool Hope University
25th July- 1st August 2022

Like most people, Christians are feeling very challenged by questions of social justice, the fall-out from the long Covid-19 pandemic, the alarming fact of climate change, and ongoing issues around racism and slavery. And all this alongside debates about the decline of the Church in the Western world, and its shape and purpose in the future.

We hope you will join us and up to 200 Christians of many denominations from the Regions of IEF including: UK, Spain, France, Germany, Poland, Czechia, Romania, South America, Uganda and Kenya. There will also be an opportunity for day visitors from Liverpool and the surrounding area to take part in many conference events.

Key activities of the conference include ENCOUNTERS (with visits) between participants and individuals, groups, organisations and institutions in and around Liverpool.

Participants will celebrate the Eucharist and share in liturgies following different traditions and in a number of settings. They will also attend two workshop sessions for which there will be a wide selection of theological, practical, and creative topics.

We want participants to return to their homes renewed and inspired, having glimpsed the diversity of life in Liverpool its people, its churches and its cultural life and history.

At this moment, we expect that the inclusive cost of the conference will be around 650£ for those attending from Western Europe, with substantial reductions for those from Central Europe, from Africa and South America. For more information about IEF please visit: www.brlefoecumenica.uk
